## WORK EXPERIENCE

### DIRECTOR @ STUDIOPLAATS

April 2017 - Present

With a multi-disciplinary approach to design issues, STUDIOPLAATS focuses on large-scale urban master planning and design, ecological restoration, parks, plazas, squares and gardens. We also develop concepts and visions for climate forward projects, making sustainable building and ecosystem restoration priority one.

### LANDSCAPE ARCHITECT @ NELSON BYRD WOLTZ

SEPTEMBER 2013 - APRIL 2017

Building upon his thesis project at RISD, Shane found opportunities at NBW to inject ideas of shared street typologies and public spaces with overlapping program. Internally, he pushed the office to develop new 3D technologies and used it as a tool to develop exciting forms and concepts. Shane managed used this time at NBW to learn and manage Stages 01-06.

#### SELECT PROJECTS:

Hudson Yards, New York, NY  
Alethia Tanner Park, Washington, DC  
McMillan Sand Filtration Site Mixed Use Development, Washington, DC  
Under Armour Global Headquarters Master Plan and Phase 1, Baltimore, MD  
Hudson Yards East Retail Rooftop and KKR Terrace, New York, NY  
BSA - Summit Bechtel National Scouting Reserve, Glen Jean, VA

### DESIGNER @ WEST8

JUNE 2011 - MAY 2012

Finding himself an offer to work at the WEST8 Rotterdam office, Shane took a year break from RISD and packed his bags. Shane was highly influenced by the Dutch firm's approach and mentality towards design.
